*In honor of Sullivan County's
past & present quilters*

Pieced together by friends & volunteers 2012–2013

A Project of the Appalachian RC&D Council

Supported by the Kingsport Community

Foundation & the Kingsport Office of Cultural Arts

Building on the city's exceptional commitment to public art, Kingsport is the first of the Tri-Cities to host a downtown walking quilt trail. The trail is a labor of love by area artists—volunteers who honor the talented quilters who refined their craft over many years at homes and quilting bees in the Kingsport area. The quilt murals you see represent more than 1,000 volunteer hours. Along your way you will discover art galleries, antiques, good food, and unique downtown shops to enjoy.
