

Downtown Greenville

Follow the Quilt Trail™

*Walk
the Quilts,
Read
the History,
Explore
Greenville!*

The trail is a labor of love by area artists — volunteers whose mission is to share Greene County history as seen through the lens of quilts. The area is known for its exceptional quilting arts tradition and fine craft, which continues today in the community. The quilt blocks represent actual heirloom family quilts from local families. Each block's story is on a plaque and online at www.QuiltTrail.org. Walk the quilts, read the history and explore Greenville!
