Silent Auction Interest Form
Appalachian Fusion Silent Auction
Proofs & Provisions Raffle

Appalachian Resource Conservation & Development Council invites you to join us in supporting local agriculture and our local food system by donating items for our silent auction and/or raffle. Our annual farm-to-table dinner, Appalachian Fusion is returning this fall, and this year we will hold both a silent auction and a raffle as part of our fundraising efforts.

The mission of ARCD is to conserve natural resources and improve rural economies through community leadership and enhanced educational opportunities.

We invite you to support our mission by donating items, experiences, or services to the auction or raffle. The list below illustrates some examples of what we hope to curate for this event.

- Rare and premium spirits
- Services – whether you are a hairstylist, landscaper, or tax professional, offering your expertise as a donation is a great auction item!
- Items – many treasures are often found in silent auctions; including: original artwork, vintage jewelry or accessories, small furniture or accent pieces, memorabilia, collectible items, signed photographs or books.
- Experiences – zip lining excursions, hot air balloon rides, sky diving, and private picnic experiences with all the trimmings all make for exciting and unique auction items.
- Gift cards – your favorite places to eat, shop, or play!

By providing a donation, you or your business will be recognized during the event for supporting your community and the people that rely on our work in the local food system.

See reverse for event details and donation form. You may also read more about the event, raffle, and sponsorship opportunities at arcd.org/appfusion-2022/.
